

Greenbrier Campground

Great Smoky Mountains

We considered several RV Parks for the 2021 Rally -- but many only had part of what we were looking for and only one was closer and would accommodate our group. So, we have an RV Park - Greenbriar RV Park. Here is the link:

<https://reserve1.resnexus.com/resn.../reservations/sites/maps>

We would advise going online and booking ASAP. VERY IMPORTANT - in area where you pay there is a space for notes. Be sure you put in Defenders LEMC and we will get a 10% discount. People there were very nice, but it is hard to get through on the phone. Be careful when booking online that it gives you all the days. People are booking and coming in as early as 6/19 and as late as 6/24. Almost if not all leaving on 6/27. Their phone is 865-430-7415. Prices are \$60 to \$82 before discount. The discount will not show up yet and if there are enough we might get a little more than 10% off. Again, put Defenders LEMC in notes section. if you have questions give Shelley/Toto a call 850-258-6366 if you have an RV and are not on

the Defender RV Facebook page. We try to keep it up to date.

This park has lots of spaces and is letting us book our sites ourselves so we can be close together. I will ask everyone that has booked to please put on the RV Facebook page their site number and dates they will be there. They do have a few RVs for rent and have some tent/cabins. Greenbriar has a beach and swimming hole and is on the Little Pigeon River. They are pet friendly and have a pet walk. They have a game pavilion, basketball, Bocce ball, horseshoes, ball pit, playground if you are bringing kids. I am sorry, there is not a trolley stop.
